Is RFB-23CCP01B an "all or nothing" bid? We intend to bid solely on the OIL & LUBRICANT BID SHEET. Is this acceptable under the bids specifications?

You are not required to bid on all materials. We will accept your bid for Oil & Lubricants.

In regards to the fuel portion of the bid, should profit margin include freight and state tax? We normally bill ours separately.

Averages based solely on OPIS and reseller prices. Terminal excludes: freight, taxes and special discounts.

Will you all consider a fuel surcharge for the contract listed in the subject line?
