4. Accept the Adopted 2018 Appraisal District Budget.

Caldwell County Appraisal District

DATE: September 19, 2017
TO: All Taxing Unit Chief Administrators
CCAD Board of Directors
RE: Adopted 2018 Appraisal District Budget

Enclosed you will find the budget for the Caldwell County Appraisal District for the year January 1, 2018 through December 31, 2018 that was adopted on September 5, 2017. Also enclosed is the estimated cost of the adopted appraisal budget for each taxing unit. The cost estimation is based on the 2016 original tax levy. The final costs will be allocated according to the entities' actual 2017 tax levies. Entities that are considering substantial increases in tax levies for 2017 should be aware of the effect on the cost allocation of the appraisal budget.

Please note that the Tax Code requires that a copy of the adopted appraisal budget be available for public inspection in the office of each governing body served by the appraisal district. Additionally, the Property Tax Code §6.06(b) states that...the board of directors shall approve a budget by September 15. If governing bodies of a majority of the taxing units entitled to vote on the appointment of board members adopt resolutions disapproving a budget and file them with the secretary of the board within 30 days after its adoption, the budget does not take effect, and the board shall adopt a new budget within 30 days of the disapproval.

I am also enclosing a copy of the collection budget, which was also approved on September 5, 2017. You will find an estimated cost of the collection budget attached. Entities that are considering substantial increases in tax levies for 2017 should be aware of the effect on the cost allocation of the collection budget.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Mary LaPoint
Chief Appraiser

Caldwell County Appraisal District

DATE: August 16, 2017
TO: Taxing Unit Presiding Officers
FROM: Mary LaPoint, Chief Appraiser
RE: Nomination of Appraisal District Directors

Dear Members:

Nominations for directors of the Caldwell County Appraisal District for the 2018-2019 term are to be submitted to the chief appraiser on or before **October 15, 2017**. Each taxing unit may nominate one candidate for each position to be filled. All five positions are available for selection, therefore, each unit may nominate up to five candidates.

A director must reside in the appraisal district for at least two years immediately preceding the date he or she takes office, and must not have delinquent property taxes. An employee of a taxing unit is not eligible to serve as a director unless the employee is also an elected official.

The presiding officer of the taxing unit submits the names and addresses of the nominees by written resolution to the chief appraiser by October 15, 2017. Names submitted after this date will not be listed on the ballot. The resolution must be adopted by majority vote of your taxing unit's governing body. Each unit will then receive a ballot before October 30, 2017.

Enclosed you will find the voting entitlement for each of the voting taxing units. Please submit nominees only at this time.

I have enclosed a document outlining the steps in the selection process and a copy of the Property Tax Code regarding eligibility

Please call on me if you have any questions about the selection process.

Sincerely,

Mary LaPoint

10. Discussion/Action regarding the Caldwell County Host Agreement Committee's recommendations in reference to items outlined in Green Group's email response to the host agreement document forwarded by Commissioners Court on September 11, 2017.

Speaker: Commissioner Haden;

Backup: 1.

Commissioner Haden,

On Tuesday September 19th, we received a copy of the revised draft Host Agreement without any guidance. Later that day you contacted Alfonso Sifuentes and asked if we would respond by Friday. Notwithstanding the continuing pattern of the County taking weeks, months and even years to respond to us and then asking us to reply within days, I am providing this initial response to the revised Agreement.

First, we remain committed to working on a mutually acceptable Host Agreement and are pleased that we have finally received a document from the County. However, the proposed Agreement needs to be reviewed in the context of TCEQ having now approved our permit and the County's continued opposition to it, as well as the positions taken by the County in the TCEQ contested case proceeding. These matters have a direct bearing on the terms of the proposed Host Agreement.

With that background, there are three items that we respectfully request the Host Agreement Committee consider and vote on in the form of a recommendation to the Commissioners Court, then the Commissioners Court take action on before we can provide detailed comments regarding the revised Agreement back to the County.

1. In my July 28 letter, I suggested as a compromise on the Landfill Siting Ordinance that it be amended to address our site. I never received a reply. I now again directly ask, is that concept acceptable? If so, we will provide a proposed amendment to the Ordinance.
2. In my July 28 letter, I also requested that the County support having the Landfill hours include a partial day on Saturday. Again, I did not receive a response and when the County's outside counsel spoke in opposition to our project before the TCEQ Commissioners at their September 6 meeting, he did not address this issue. What is the County's position on this topic? The revised draft of the Host Agreement seems contradictory on this matter and if we are not open on Saturday, we will not be able to offer some of the benefits in the Host Agreement as we originally proposed and as welcomed by many in the community.
3. Lastly, does the County intend to continue opposing TCEQ's approval of our permit?

Once we have approved responses to these questions, we will be in a position to do a detailed review of the revisions to the draft Host Agreement and respond accordingly. Until then, we will continue with the approval of our project and participation in all of the Community events and causes we have supported and invested in over the years.

Thank you for your continued efforts.

Invoice No. 731

Honorable Kenneth Schawe, County Judge
Caldwell County
110 S. Main St.
Lockhart, TX 78644

Dear Judge Schawe:

This Invoice No. 731 is for services rendered not covered under the general terms of our Contract with Caldwell County.

As you know a major storm in the spring caused severe damage to the clock. We had requested that the County construct a scaffold in the tower to allow access to the clock's differential gear which is located above the clock room. Unfortunately, the scaffold was not provided.

Therefore, we cut an access opening in the ceiling of the clock room to access the differential gear. Using a step ladder, we were able to climb up into the attic and make repairs to the damaged parts. We worked on this over a period of two days. The north dial drive mechanism had been disengaged by the powerful winds buffeting the dial face. We reengaged the north dial gear shaft. Each of the four dials had to be resynchronized with each other and the clock's drive train. Over the following days, we readjusted the time-keeping and got each dial running together, albeit 15-20 minutes slow. Now we are much closer to correct time, but we still make weekly adjustments to the pendulum to improve the timekeeping.

We submit this invoice in the amount of \$575.00 as a supplement payment for our work on the clock. Please send payment to: Gene Galbraith, 10900 Crumley Ranch Rd, Austin, TX 78738.

Thank you,

Gene Galbraith

Re: Street Right-of-Way Variance Request
Compostela Subdivision

Dear Commissioner Roland:

On behalf of Robert W. McDonald, III, Managing Partner of Compostela L.L.C., owner of the proposed Compostela Subdivision, we respectfully request a variance from Section 3.3.1(A)(1)(a) (Second Amendment to Caldwell County Development Ordinance), Appendix B.4 and Table B-1 and B-2 of the Caldwell County Development Ordinance specifying a minimum right-of-way width of 50 feet for urban (curb and gutter) local streets and 60 feet for rural (shoulder-section) local streets.

Our client proposes to plat 43 residential lots on a 78.437 acre tract of land that is encumbered by 9 different easements. The major easements on the property are power transmission line easements between the Lower Colorado River Authority (LCRA) and Austin Energy substations located adjacent to the property. The available point of access to a publicly dedicated street (Williamson Road) for the northern portion of this site is through a narrow strip that lies between the northernmost corner of the LCRA substation and the neighboring property. This access has a width of 38.38 feet. Attempts were made to acquire right-of-way from the adjacent tracts and to acquire permission from the LCRA for a street to pass beneath the power transmission lines so that the minimum width could be satisfied, however these attempts were unsuccessful; therefore we request a variance from the 50-60 foot minimum right-of-way width requirement. Please note that this width limitation only affects the first 177.66 feet of the proposed roadway and the remaining length of roadway will meet the minimum right-of-way width requirement. We propose to access the property through this strip by using the Caldwell County urban street standards of curb and gutter until it passes the LCRA substation and then transition to a rural street right-of-way of 60 feet when the property widens to the full 60 foot width.

It is our opinion that an undue hardship exists if the ordinance is applied literally. We offer the following facts in support of our requests:

1. Strict application of this requirement is not feasible as the property as constituted does not have the available width to meet the requirement, attempts to acquire the additional right-of-way and/or secure

permission to place a street across an easement beneath the power transmission lines were unsuccessful and no alternative point of access is available.

2. Strict application of this requirement would result in the specific hardship of denying access to the northern portion of this property as this is the only point of access to the site.

3. Granting of this variance will affect only the 18 lots proposed on the northern portion of this subdivision, and meets the intent of the regulations by providing the required width after the initial 177.66 feet of the proposed roadway.

4. Granting of this variance does not present any detrimental impacts to the health and safety of the public.

5. Granting of this variance does not present any detrimental impacts to the environment.

6. Granting of this variance will not effect the orderly development of other land in the area as the narrow nature of this portion of the tract at the single available point of access requiring the right-of-way width variance is unique to this property.

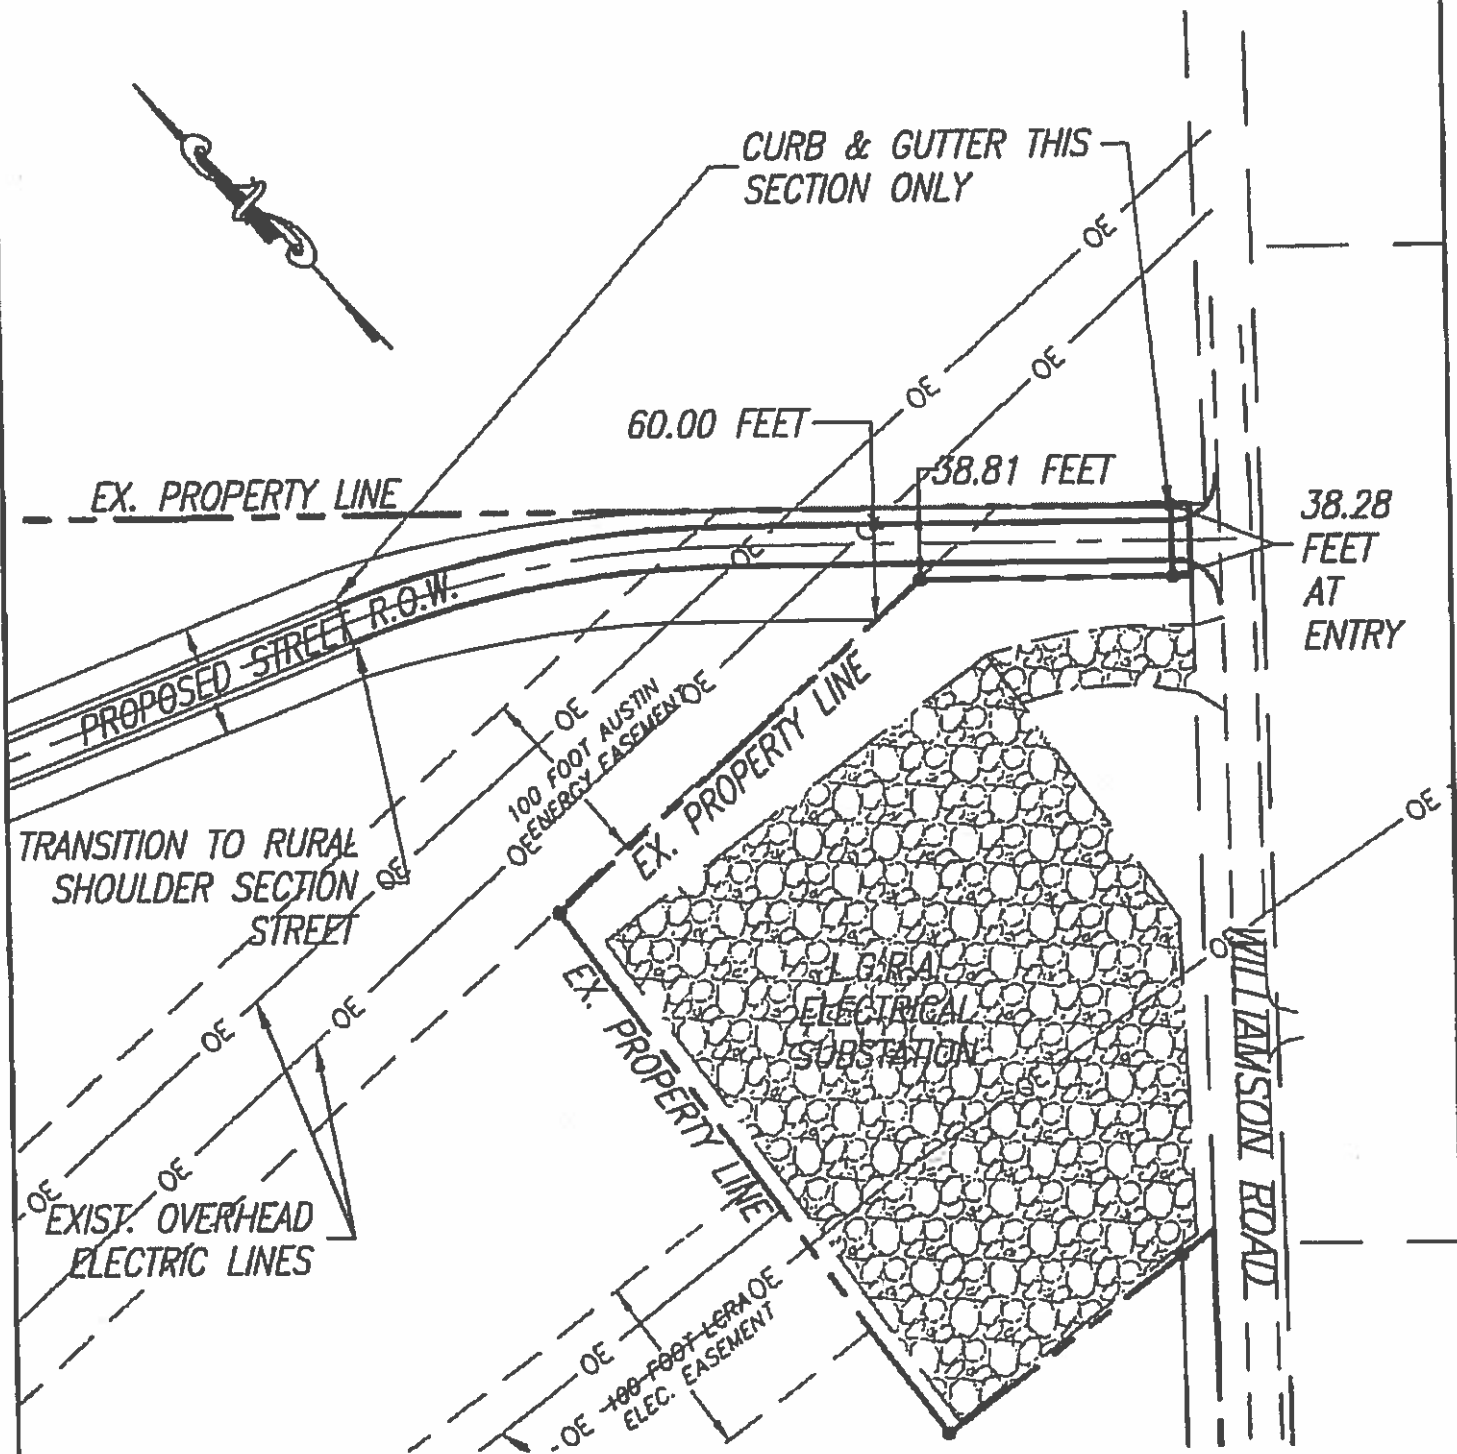

Thank you for considering this request.

Sincerely

RE: **Compostela Subdivision – Preliminary Plat – Variance Review**
BCG Project No. 070004-14-003

Ms. Miles,

Bowman Consulting Group has reviewed the two Variance Requests recently submitted for Compostela Subdivision Preliminary Plat. Please forward this to the Applicant for their response to our comments and questions below.

1. Regarding the Variance Request for the length of cul-de-sac:
 - a. Could the need for this variance be eliminated if the two streets on either side of the electric easement corridor were connected by a third street across the corridor?
 - b. Has interconnecting the streets in this manner been considered previously?

2. Regarding the Variance Request for the ROW width:
 - a. We are inclined to support this variance if:
 - i. It can be demonstrated that the road and drainage improvements can safely fit within the proposed 38' ROW.
 - ii. The two streets on either side of the electric easement corridor are connected by a third street across the corridor.
 - b. We will recommend denial of this variance if the proposed 38' ROW is the only access to the cul-de-sac.

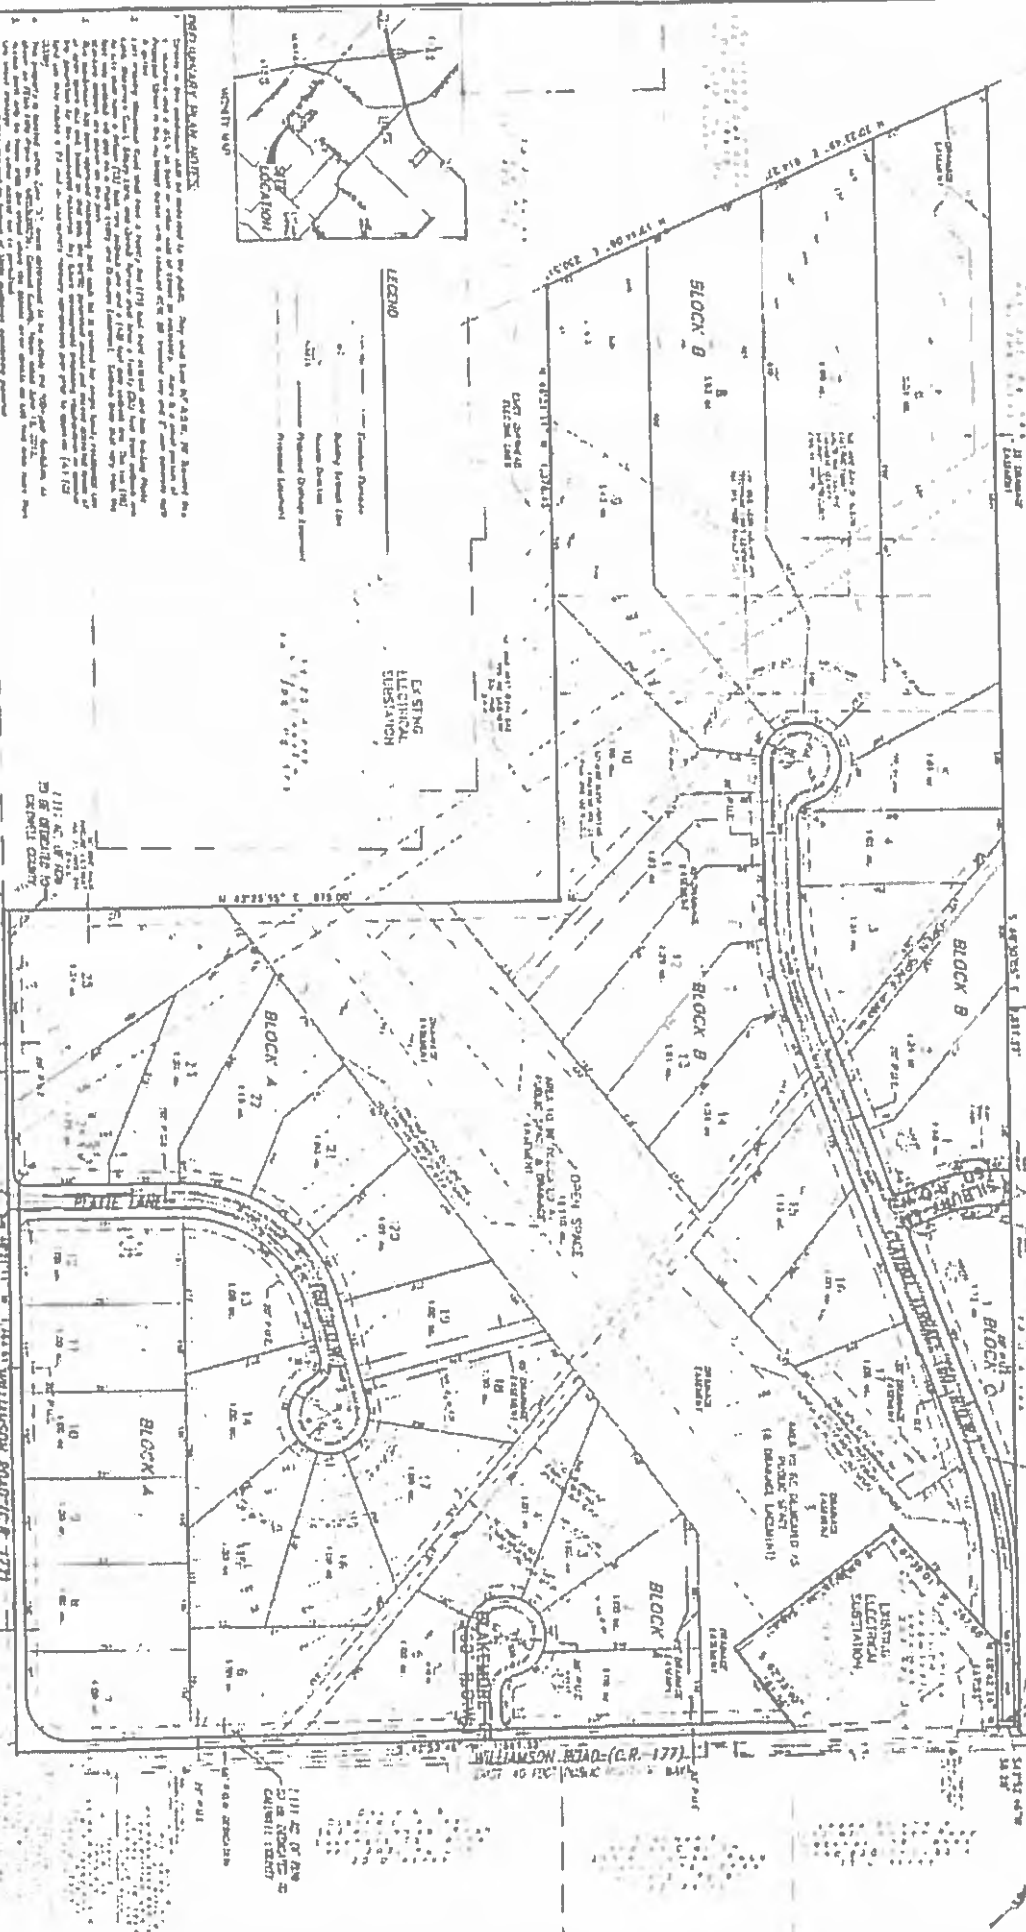

Please let us know if you have any questions in regards to these comments.

Sincerely,

Tracy A. Bratton, P.E.

RE: Compostela Subdivision – Preliminary Plat – Technical Review
BCG Project No. 070004-14-003

Ms. Miles,

Bowman Consulting has completed our Technical Review of the Preliminary Plat application for Compostela Subdivision. This subdivision includes 43 lots with frontage on Williamson Rd. (Co. RD. 177). The Applicant has addressed all outstanding technical comments with the exception of:

1. Proposed ROW for Clayhill Terrace does not comply with the minimum ROW width required by the ordinance.

Bowman Comments: The applicant has requested a variance from the minimum ROW requirements.

It is our pleasure to be of assistance to the County on this project.

Sincerely,

Charles R. Wirtanen, P.E.
Bowman Consulting Group

14. Discussion/Action to approve adding the County Auditor as an authorized representative to the County's investment accounts.
