2014.10.31.03 Discussion/Action to add rollers to the new book shelves for the County Clerk's Office at the New Judicial Center. Commissioner Muñoz
Judge Bonn explained the reason for the action item. He explained that there was no reason to place blame for misunderstanding, only to fix the problem. He gave an overview of the shelving in the County Clerk's office and explained the need for rollers on the shelves. County Clerk Carol Holcomb explained that it could lead to someone being hurt without the rollers. It was decided that when the new shelves were being installed that TAB would be removing the non-rollered shelves and destroying them. They cannot be reused and were of no use to the County. County Auditor Larry Roberson shows the cost added in with the furniture, fixtures & equipment that had been approved this past week in Commissioners Court. Motion made by Commissioner Muñoz, second by Commissioner Buchholtz to approve adding roller shelves to the Caldwell County Justice Center not to exceed \$32,009. This includes a cost of \$7,800 to expedite shipment to keep current move-in on schedule. Those Present voting "Aye"
The Court continued discussion about the record move and TAB representative Andy Berkebile explained that everything listed was measured and listed in the proposal will be relocated.
