

TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

EXAMPLE A

AMENDED CONSOLIDATED NOTICE OF RECEIPT OF APPLICATION AND INTENT TO OBTAIN PERMIT AND NOTICE OF APPLICATION AND PRELIMINARY DECISION FOR AN AIR QUALITY PERMIT

PROPOSED PERMIT NUMBER: 175366

APPLICATION AND PRELIMINARY DECISION. CITGO Petroleum Corporation, 1293 Eldridge Pkwy, Houston, TX 77077-1670, has applied to the Texas Commission on Environmental Quality (TCEQ) for issuance of Proposed Air Quality Permit Number 175366, which would authorize construction of the Luling Terminal located at 5120 Farm-to-Market 2984, Luling, Caldwell County, Texas 78648. This application was submitted to the TCEQ on February 13, 2024. The existing facility will emit the following contaminants: *carbon monoxide*, hazardous air pollutants, *nitrogen oxides*, organic compounds and *particulate matter including particulate matter with diameters of 10 microns or less and 2.5 microns or less*.

The executive director has completed the technical review of the application and prepared a draft permit which, if approved, would establish the conditions under which the facility must operate. The executive director has made a preliminary decision to issue the permit because it meets all rules and regulations. The permit application, executive director's preliminary decision, and draft permit will be available for viewing and copying at the TCEQ central office, the TCEQ Austin regional office, and at the J.B. Nickells Memorial Library, 215 South Pecan Avenue, Luling, Caldwell County, Texas, beginning the first day of publication of this notice. The facility's compliance file, if any exists, is available for public review at the TCEQ Austin Regional Office, 12100 Park 35 Circle, Building A, Room 179, Austin, Texas. The application, including any updates, is available electronically at the following webpage:

PUBLIC COMMENT/PUBLIC MEETING. You may submit public comments or request a public meeting about this application. The purpose of a public meeting is to provide the opportunity to submit comment or to ask questions about the application. The TCEQ will hold a public meeting if the executive director determines that there is a significant degree of public interest in the application or if requested by a local legislator. A public meeting is not a contested case hearing. **You may submit additional written public comments within 30 days of the date of newspaper publication of this notice in the manner set forth in the AGENCY CONTACTS AND INFORMATION paragraph below.**

RESPONSE TO COMMENTS AND EXECUTIVE DIRECTOR ACTION. After the deadline for public comments, the executive director will consider the comments and prepare a response to all relevant and material or significant public comments. Because no timely hearing requests have been received, after preparing the response to comments, the executive director may then issue final approval of the application. **The response to comments, along with the executive director's decision on the application will be mailed to everyone who submitted public comments or is on a mailing list for this application, and will be posted electronically to the Commissioners' Integrated Database (CID).**

INFORMATION AVAILABLE ONLINE. When they become available, the executive director's response to comments and the final decision on this application will be accessible through the Commission's Web site at www.tceq.texas.gov/goto/cid. Once you have access to the CID using the above link, enter the permit number for this application which is provided at the top of this notice. This link to an electronic map of the site or facility's general location is provided as a public courtesy and not part of the application or notice. For exact location, refer to application.
