SECTION 6. All resident, qualified voters of the County shall be permitted to vote at the Election, and, on Election Day, such voters shall vote at the designated polling places set forth in Exhibit A. The Election shall be held and conducted in accordance with the provisions of the Texas Election Code, as amended, except as modified by the provisions of the Texas Government Code, as amended, and as may be required by law. SECTION 7. Notice of election, including a Spanish translation thereof, shall be published on the same day in each of two successive weeks in a newspaper of general circulation in the County, the first of these publications to appear in such newspaper not more than 30 days, and not less than 14 days, prior to Election Day. Based on the bond market conditions on the date of the Commissioner Court's adoption of this Order, the maximum interest rate for any series of bonds authorized at the Election is 5.00% (expressed as a net effective interest rate applicable to any such series of bonds). The bonds that are the subject of this Election shall mature serially or otherwise over a specified number of years (but not more than 40 years from their date), as prescribed by applicable Texas law, though the County estimates that, based on current bond market conditions, such bonds will amortize over a 25-year period from their respective date of issue. The foregoing estimated maximum net effective interest rate and amortization period are only estimates, provided for Texas statutory compliance; they do not serve as a cap on the per annum interest rate at which any series of bonds authorized at the Election may be sold, or the amortization period for bonds that are the subject of this Election.

SECTION 9. The Court authorizes the County Judge, or the designee thereof, to negotiate and enter into a joint election agreement or agreements with any other political subdivisions with territory within the County who are also conducting elections on Election Day in accordance with the provisions of the Texas Election Code, as amended, as determined to be necessary or desirable, and to make such technical modifications to this Order that are necessary for compliance with

applicable Texas or federal law or to carry out the intent of the Court is evidenced herein.

SECTION 10. The recitals contained in the preamble hereof are hereby found to be true, and such recitals are hereby made a part of this Order for all purposes and are adopted as a part of the judgment and findings of the Court.

SECTION 11. All orders and resolutions, or parts thereof, which are in conflict or inconsistent with any provision of this Order are hereby repealed to the extent of such conflict, and the provisions of this Order shall be and remain controlling as to the matters ordered herein.

SECTION 12. This Order shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

SECTION 13. SECTION 14. If any provision of this Order or the application thereof to any person or circumstance shall be held to be invalid, the remainder of this Order and the application of such provision to other persons and circumstances shall nevertheless be valid, and the Court hereby declares that this Order would have been enacted without such invalid provision.

SECTION 15. This Order shall be in force and effect from and after the date of its adoption, and it is so ordered.

--	--

principal of debt obligations to be authorized	\$150,000,000
estimated interest for the debt obligations to be authorized presuming an interest rate of 4.92 (weighted average)%	\$113,042,277
estimated combined principal and interest required to pay on time and in full the debt obligations to be authorized amortized over 25 years	\$263,042,277
as of the date the election was ordered, principal of all outstanding debt obligations	\$14,010,000
as of the date the election was ordered, the estimated interest on all outstanding debt obligations	\$2,448,798
estimated combined principal and interest required to pay on time and in full all outstanding debt obligations amortized over 13.5 years	\$16,458,798
estimated maximum annual increase in the amount of taxes on a residence homestead with an appraised value of \$100,000 to repay the debt obligations to be authorized, if approved	\$0.04 tax rate increase (\$40 on a \$100,000 homestead)
This figure makes conservative assumption about the amortization period of the debt obligations and the estimated interest rate; and presumes growth in taxable value of 20% in 2026-2027, 15% in 2028-2029, 10% in 2030-2031, 5% in 2032-2038, and 0% thereafter.
