

## **Covid-19 Resources from Ascension Healthcare**

- We have established a **COVID-19 hotline** for Ascension Texas at **1-833-919-1680**. Available 6a-midnight, the hotline is staffed by triage RNs who will respond to public questions and implement the most up-to-date screenings and protocols to guide patients to the most appropriate care setting, including staying at home and/or virtual options.
- **Ascension Online Care** is also offering video **urgent care visits at a discounted rate of \$20**, so you can talk to a doctor from home. ***No insurance required.*** Use the code **HOME** at [Ascension Online Care](#)
- For a guide to **talking to children about COVID-19** please reference the National Association of School Psychologists [Parent Resource article](#) provided by our Child Life team at Dell Children's Medical Center.
