

Texas Department of State Health Services

COVID-19 Vaccination in Texas

Doses administered are doses providers have entered into ImmTrac2, the Texas Immunization Registry, by the recipient's county of residence and the date administered.

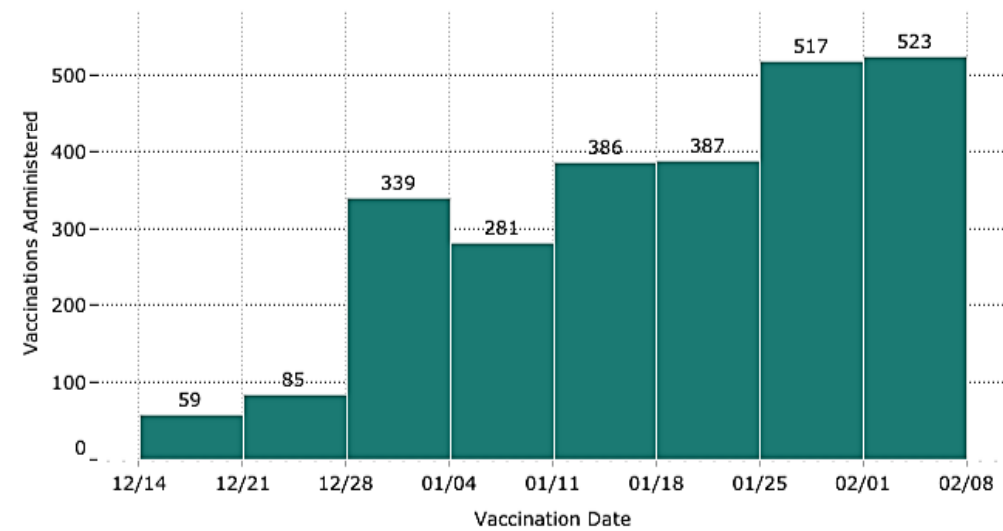

Providers have up to 24 hours to report doses to ImmTrac2, and dashboard is updated with data reported as of 11:59 the previous night.

Use the filter below to select a Texas county and view the number of vaccinations administered to persons living there, by week. Alternatively, click on a county on the map. Click the Re..
